PERMANENT ADDRESS

11223 South Quebec Ave
Tulsa, OK 74137

OBJECTIVE:

To obtain an internship in the computer science industry.

EDUCATION:

Purdue University, West Lafayette, IN
Bachelor of Science in Computer Science

May 2021
GPA: 3.73/4.00

Technical Skills: Java, C, C++, C#, HTML/CSS

RELEVANT EXPERIENCE:

Project Manager, National Youth Leadership Forum, Boston

July 2016 - Aug 2016

- Led a team of 4 individuals in a Capstone project by evaluating ability and assigning appropriate tasks.
- Constructed a local multiplayer tank shooting game in four days to compete in a game building competition.

Intern, RescueTime, Seattle

May 9, 2017- May 14, 2017

- Recorded information from Microsoft Build 2017 and reported back to the company with relevant information to learn about new technological developments.

INDEPENDENT PROJECTS:

PhoneWord:

- Created an android application to swap alphanumeric phone numbers and integer phone numbers using Microsoft Xamarin and the .NET developer platform.

The Mountain:

- Designing a 3D action role playing game for the Windows platform to gain experience working on a product from conception to completion.
- Utilized Microsoft Visual Studio, the C# programming language, Unity3D, Blender, and Substance Painter to craft 3D models, animations, and textures for the game world.
- Applied knowledge learned from relevant computer science coursework to a production environment.

Websites:

- Collaborated and divided group work among three classmates to build a unique website using HTML/CSS, Django, and SQL.
- Built and designed a personal website using HTML/CSS for the purposes of self representation and branding.

Tankaga:

- Created a networked multiplayer 3D tank shooting game over the course of 3 months using UNET networking API, Microsoft Visual Studio, and the C# programming language.

WORK EXPERIENCE:

Employee, Woodcraft, Tulsa OK

May 2015- July 2015

- Worked retail in a woodworking store over the summer in order to gain real world work experience.
- Displayed teamwork/communication abilities with a diverse group of individuals.
